Title: [REDACTED] To document OCE- [REDACTED] contact with Georgianna Giampietro from 03/30/2017 to 04/07/2017
Re: [REDACTED], 07/05/2017

Details:

[REDACTED] On March 30, 2017, OCE- [REDACTED] and Georgianna Anna Maria Giampietro exchanged messages on Telegram messenger app, during which Giampietro informed OCE- [REDACTED] that she has not found a job and that she was unable to switch her student loan into a government loan. Giampietro also informed OCE- [REDACTED] that she does not have to make payments on her loan until June.

[REDACTED] Giampietro stated that her fiancée, Abu Abdullah, is very sad over her situation. She added that they have not spoken for two days, and she made a supplication for his safety. Giampietro informed OCE- [REDACTED] that she and her fiancée do not communicate with "voices" because it is forbidden, nor does her fiancée know what Giampietro looks like.

[REDACTED] Giampietro expressed happiness that ISIL, to which she refers to as jojo, is almost eliminated. She informed OCE- [REDACTED] that she does not want Al-Baghdadi to be killed by the United States, but rather by the brothers. Giampietro added that ISIL has her fiancée's family [WN: no further details], and she explained that they would not let his family leave and they are trapped in Syria. When asked about Abu Abdullah's family background, Giampietro stated that they are both Iraqis and Syrians.

[REDACTED] Giampietro then informed OCE- [REDACTED] of a hadith in which being killed is better than attacking a brother. OCE- [REDACTED] argued the potential misinterpretation of the hadith based on context. Giampietro was only able to quote hadith about isolating oneself from those who cause deviation and turmoil among Muslims.

[REDACTED] On April 04, 2017, OCE- [REDACTED] and Giampietro discussed on Telegram the Syrian bombing that took place around that time, in which many children were killed. Giampietro also pointed to OCE- [REDACTED] the Syrian regime gas attack, in which many children also had died. Giampietro then sent a voice message to OCE- [REDACTED] informing OCE- [REDACTED] about Giampietro's reaction and anger over the news of the multiple

Re: [REDACTED] 07/05/2017

attacks in Syria. Giampietro stated in the message that she is "obsessed" with the events taking place in Syria, and she checks her phone for the news first thing in the morning. Giampietro also sent a link to an article from "On the Ground News" with the headline "Journalists Bilal Abdul Kareem and Ahmad Zaidan Sue US over Kill List."

[REDACTED] OCE [REDACTED] and Giampietro discussed holding a potential online meeting to study Islam. OCE [REDACTED] suggested Paltalk for a platform; however, Giampietro did not appear to be familiar with Paltalk, but she stated that she would download it. Giampietro did confirm that she had a Skype account, but no information was not provided regarding the user name of the account.

Al3bidah Lillah

Al3bidah Lillah
but i am not sure what is ruling regarding fighting other muslims
Do you remember the hadith of the signs before the Hour ?

3:52 PM

Two brothers will approach each other with the sword the one whom killed his brother will go to Hell while the one died will also go to hell

3:53 PM

The one who died had the intention to kill his brother

3:53 PM

Another ahadith states before the last hour when no known group of Muslims and no Imām and fitnah has increased 1) stay at home 2) if someone comes into your home let them kill you don't kill them

3:54 PM

AA>this is taken from 2 ahadith 3:55 PM

During the times of increased fitnah it is better to be killed

3:55 PM

والله اعلم 3:55 PM

but i thought a muslim has the right to defend himself if he or she attacked at home

4:14 PM ✓

It was narrated that Abu Hurayrah (may Allaah be pleased with him) said: A man came to the Messenger of Allaah (peace and blessings of Allaah be upon him) and said: O Messenger of Allaah, what do you think if a man comes wanting to take my property? He said: "Do not give him your property." He said: What if he fights me? He said: "Fight him." He said: What if he kills me? He said: "Then you will be a martyr." He said: What if I kill him? He said: "He will be in Hell." Narrated by Muslim (140).

4:15 PM ✓

that is self defense 4:15 PM ✓

i think what u r referring to is if they went out of their way to attack each other

4:15 PM ✓

والله أعلم 4:16 PM ✓

It's during end of times 4:16 PM

Wait 4:16 PM

It's in the book signs before end of times 4:17 PM

I will send the hadith to you later I have to find it in the book 4:18 PM

Ohhh property is different 4:18 PM

I'm talking about a man coming into your home 4:18 PM

Give me time I'm not at home in'sha'Allāh 4:19 PM

Hudhayfah ibn al-Yaman said, "People used to ask the Prophet ﷺ about good things, but I used to ask him about bad things because I was afraid that they might overtake me. I said, 'O Messenger of Allāh, we were lost in Jahiliyyah and evil, then Allāh brought this good (i.e. Islām). Will some evil come after this good thing?' He said, 'Yes' I asked, 'And will some good come after that evil?' He said, 'Yes, but

it will be tainted with some evil' I asked, 'How will it be tainted?' He said, 'There will be some people who will lead others on a path different from mine. You will see good and bad in them.' I asked, 'Will some evil come after that good?' He said, 'Some people will be standing and calling at the gates of Hell; whoever responds to their call, they will throw him into the Fire.' I said, 'O Messenger of Allāh, describe them for us.' He said, 'They will be from our own people, and will speak our language.' I asked, 'What do you advise me to do if I should live to see that?' He said, 'Stick to the main body (jamaa'ah) of the Muslims and their Imām. I asked, 'What if there is no main body and no leader?' He said 'Isolate yourself from all of these sects, even if you have to eat the roots of trees until death overcomes you while you are in that state.'"
